SUMMARY

As a skilled front-end UI designer, I bridge the gap between creative design and technical execution. I specialize in creating intuitive interfaces using Figma and Sketch and bringing them to life with clean HTML, CSS, and JavaScript. My focus is on building fully responsive and accessible websites that work perfectly on any device. Strong communication skills and a dedication to staying current on industry trends. And I am eager to apply these skills to a new challenge."

EXPERIENCE

Mar 2023 - Aug 2024

Tamil Voice Process\Telecaller
Cameo Corporate Service LTD

•Planned, organized, and managed operations, including ordering materials and supplies, workflow management, and timely productions.
 •Managed product quality to guarantee compliance with quality policies, procedures, and systems.
 •Worked with the team to collaboratively reach targets, consistently meeting or exceeding personal quotas.
 •Planned, directed, coordinated, and assigned manpower to meet aggressive production schedules.

Sep 2024 - May 2025

Tamil Voice Process\Telecaller
Lane consultancy

• I was a key player on our team, where I helped customers navigate their credit card dues by creating affordable and realistic repayment plans that worked for their budgets.

• Steps in the Banking Process for Credit Card Recovery. Our recovery process is a structured, multi-stage workflow designed for maximum efficiency and compliance.
